*"Partnering to make recycling strong through economic and environmentally sound solutions"*

**2020 Annual Meeting (Virtual)  
Wednesday, November 4, 2020  
9:00 AM – 10:30 AM**

The Northeast Resource Recovery Association (NRRA) will host a virtual Annual Meeting this year as we are not yet able to meet inside as a large group. Members will be able to join by phone and optional video. The meeting will feature guest speaker Dave Cameron, General Manager at OPRSystems, Inc. Based in Wilmington, MA, OPRSystems brokers fibers and plastics for NRRA. Dave will talk about the impact on the recycling markets from COVID-19 and discuss what he's hearing from his buyers about future markets.

In addition, the meeting will feature the presentation of certain awards that would typically be presented at our annual conference. Lastly, the meeting will include a vote on a slate of board members for the next year and a vote on proposed changes to NRRA's bylaws. The proposed bylaws changes include allowing NRRA to deliver notice of annual and special meetings to members by email rather than in person or by mail only, modifying attendance requirements at board meetings for board members, and additional minor changes.

As a member, you are cordially invited to join the staff and trustees of NRRA for this virtual annual meeting. NRRA is YOUR organization, so please plan to attend either by phone or video.

Each Municipal Member is entitled to only one vote, but you may register as many representatives for the event as you wish. Associate Members do not have a vote, but we welcome and encourage your participation.

Please complete the attached RSVP and return it to us either by mail (see address below), by fax (603-736-4402) or by email to [info@nrrarecycles.org](mailto:info@nrrarecycles.org) no later than October 28<sup>th</sup>, 2020. Upon receipt of your RSVP, you will receive directions for either calling in and/or joining the meeting online in addition to the full slate of items to be voted upon.
