Attendance at MOM meetings count as continuing professional development credit for the NHDES Solid Waste Operator Certification. If you would like to receive a certificate for this meeting, you must "sign in" if present.

There will be no MOM meetings in July or August. The next virtual MOM meeting will be on Wednesday, September 14th from 9:00-10:30 am. We will discuss the results and lessons learned from the USDA *Recycling with Results* grant, which includes the Recycle Right campaign and the Solid Waste Advisory Team program.
