

Choosing an Electronic Waste Recycler

Two videos to help drive home why it is so important to do your due diligence when you are choosing an eWaste recycler.

- PBS: Watchdog group tracks what really happens to 'recycle' e-waste.
 - <https://www.youtube.com/watch?v=3sUT1u4WMP4>
- Outside the box recycling: Homeboy Electronics Recycling offers certified and secure recycling and data destruction services to businesses, governmental organizations and residences while providing permanent jobs for men and women who face severe barriers to employment. We are building a world in which our resources are valued, not wasted.
